## Finca Cascada

66,000€- ID: ID-9687 - Lanjaron - Cortijo with land

Bedrooms/Habitaciones	2
Baths/Baños	1
Plot/Parcela	12000 m <sup>2</sup>

If you have ever dreamt of “getting away from it all” and being completely surrounded by nature, this is for you!

Accessed by mountain track of several kilometres this finca is located in arguably one of the most natural and also dramatic locations that can be found in Southern Spain.

After the spectacular drive across the mountain, you descend towards the acequia and rio. This only helps to emphasise the absorption into nature.

There is a two bedroom finca which also has a bathroom and living / dining are, there is also a campo style kitchen. The land consists of around 12,000 m<sup>2</sup> and is mostly quite useable as productive land or simply to enjoy the natural environment.

Completely off grid, the water is supplied by natural springs and power from solar.

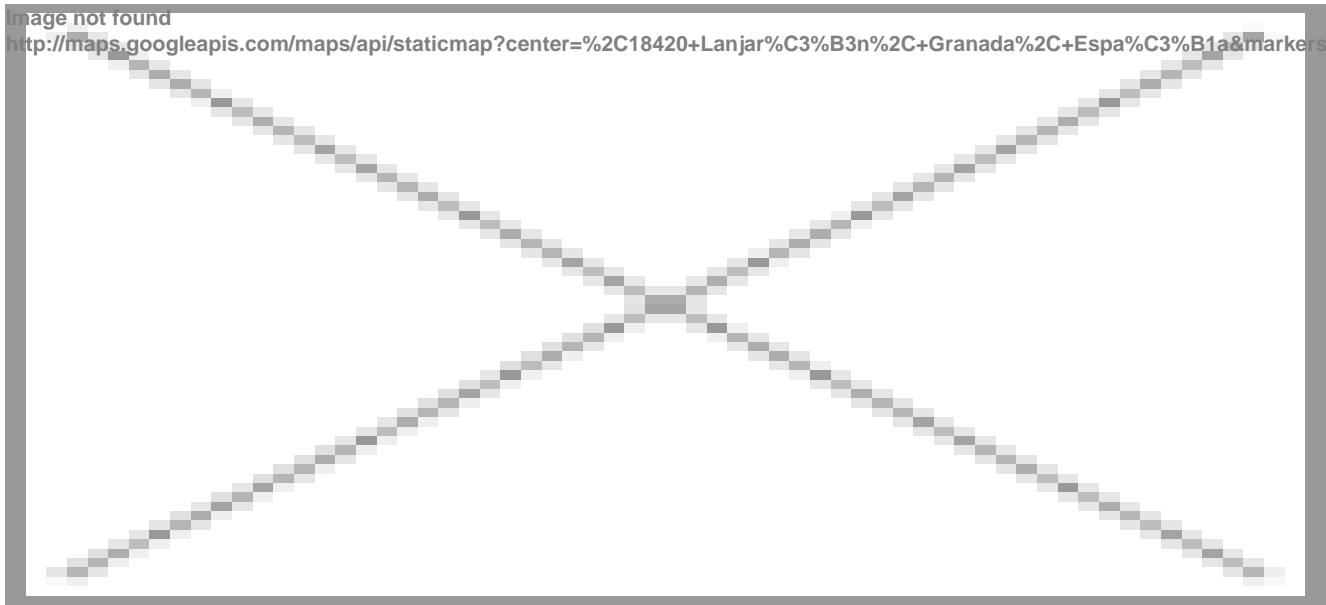

This could be an ideal retreat for a writer, painter or anyone who enjoys the peace and tranquillity of the natural world.
